4.1	Working With Children Check (WWCC)
	<p>In June 2013 significant changes were introduced to the Child Protection and Working with Children requirements which apply to all touch football clubs, affiliates, regions, and their members.</p> <p>The purpose of these changes by the NSW State Government is to improve the safeguards and child protection processes that help to keep touch football safe and enjoyable for all participants. All clubs, affiliates, and regions must now comply with the new legislation and implement these requirements within their membership.</p> <p>The Working With Children Check (WWCC) is a legal requirement that applies to persons who work or volunteer with children (U18). It checks the background of persons who work or volunteer with children in sport clubs, schools, child care centres, community</p>

	<p>groups, Churches and other organisations. Once you clear a WWCC you are issued with a WWCC Clearance Number that proves you are cleared to work with children.</p> <p>Each Affiliate must register as an employee, have all Coaches and Team Management personnel undergo the prescribed check and verify all before sending this documentation through to NSWTA.</p> <p>The NSWTA supports a child-safe culture with values and practices that guide the attitudes and behaviour of all staff, volunteers, and members. We have taken steps concerning policy in this regard. You will find this under our NSWTA Youth Coach and Team Management Policy. As an Affiliate, you must ensure that all your Officials and Team Management have access to this policy and read and understand it.</p> <p>Affiliates are reminded that they are required UNDER LAW to clear all checks and keep records of those engaged in child-related work (all team management). You can be fined up to \$11000 per breach.</p> <p>Unfortunately, some affiliates in the past have not undertaken the correct processes in undertaking these checks and have been found to provide us with false information. As a Child Safe Organisation, should you have not provided the required WWC checks by the due date, the NSWTA will be forced, not to accept your team/s.</p> <p>It is a legislative requirement that we as the SSO ensure that our members are abiding by the law that is in place and governed under the auspices of the Office of the Children's Guardian.</p>
4.2	<p>Guardianship</p> <p>In some instances, persons under the age of 18 will attend NSWTA events. In understanding our expectations around your role and responsibilities we provide Affiliates with some additional information related to legal guardianship. This communication contains general advice only and does not consider individual objectives, circumstances and or a legal view. The information contained in this communication is only to offer some additional information on this particular area and individual research and advice should be sort for your personal circumstance.</p> <p>Guardians - A guardianship is a legal right given to a person to be responsible for the food, health care, housing, and other necessities of a person deemed fully or partially incapable of providing these necessities for himself or herself. What Are a Guardian's Duties?</p> <p>The guardian makes decisions about how the person lives, including their residence, health care, food, and social activity. The guardian is intended to monitor the person, to make sure that the person lives in the most appropriate, least restrictive environment possible, with appropriate food, clothing, social opportunities, and medical care. Communication with the Parents</p> <p>Ensure you are informed of any medical concerns, including food allergies. In addition, you'll need to agree on things like sleeping arrangements, the administration of over-the-counter medications, and procedures for contacting the parents in an emergency.</p> <p>Information provided and acknowledged from the following websites: http://www.expertlaw.com/library/estate_planning/guardianship.html http://singleparents.about.com/od/legalissues/ht/temporary_guard.htm </p>

4.3	Supervision of Under Age Participants
	<p>Affiliates are responsible for the direct supervision of any player or official who is under the age of 18 years. All steps should be under taken by an Affiliate to protect these person's from all forms of harassment. This includes ensuring that:</p> <ul style="list-style-type: none"> • These minors must be made fully aware of the NSWTA Code of Conduct. • All Officials comply with the Relevant Child Protection laws. • That when travelling to, during and from the Tournament all care is taken to supervise minors.
4.4	NSWTA Representative Player Parent/Guardian Code of Conduct
	<p>The New South Wales Touch Association (NSWTA) along with the national body, Touch Football Australia (TFA) are committed to upholding our core values and create a safe, fair and inclusive environment for everyone associated with our sport. Our commitment is to ensure that every person involved in our sport is treated with respect and dignity and protected from discrimination, harassment and abuse.</p> <p>All players when they register automatically acknowledge and sign the code of conduct form that outlines the expectations of players, coaches, parents and supporters. By signing this document, you acknowledge that you will comply with its content and submit to the NSWTA's jurisdiction.</p>
