Approved touch shoes must be worn in accordance with rule 3.2 of the TFA rulebook. Only moulded football boots are allowed to be worn, no metal studs or cleats.

COACHING POSITIONS

The only people that are allowed behind the score line is the Coach, Assistant Coach or Manager. A Coach may position themselves at the end of a field. If they are at the end of the field, they must remain at least five metres behind the dead ball line. Where a fence, spectator line or advertising signage prevents this they must remain behind the fence or advertising signage.

Any Coaching/Management staff at the end of a playing field cannot issue any verbal or physical commands directly to the team they are observing and can only communicate to the team or other coaching/management staff in the interchange area by returning to the interchange area or by use of electronic communication equipment. Any person found to be disregarding this tournament rule will be asked to return to the interchange area. Coaches are reminded that they are under the jurisdiction of the Tournament Conditions and the referee regardless of being either in the interchange area or at the end of the field.

Failure to comply with this will result in individuals being asked to leave the venue for the duration of the game and may result in further action.

COACH / REFEREE COMMUNICATION

Coaches / Players / Managers are not to approach the referees who officiate at their games. Any enquiries should be submitted to the Tournament Coordinator.

PROTEST / DISPUTES

Protest and dispute matters will be heard and determined by the Tournament Coordinator.

DISCIPLINE

It is the responsibility of each school to ensure that all their players, officials and teams behave themselves during the course of the competition. Any complaints will be dealt with by the Tournament Coordinator in an appropriate manner.

SUSPENSIONS

Any player sent from the field for the remainder of the game will receive an automatic two (2) match suspension unless the Tournament Coordinator considers further action.

Any player who receives three (3) or more 'periods of time' over the course of the competition will receive an automatic two (2) match suspension unless the Tournament Coordinator considers further action.

Any player who is given two (2) or more 'periods of time' in any one (1) game, will also receive an automatic two (2) match suspension.

A two (2) match suspension is to be served by the player in the two (2) games immediately following, in which the team actually plays. Byes do not count as a game played. A match suspension will also count if their representative team wins by forfeit, however a team losing by forfeit, will not.

FORFEITS

Due to the heavy schedule, games must start on time. Teams must be in attendance at their playing fields a minimum of five (5) minutes before the commencement of their match.

It is the responsibility of each captain/teacher to report to the referee so that the toss of the coin can be affected without loss of time.

If a team is not at the field at the advertised starting time of the game, the attending team can be awarded the winning of the toss.

The offending team will receive a maximum of five (5) minutes from the commencement of the game (siren/whistle) to position the team on the field and be ready to commence play.

If the offending team is not in attendance after the five (5) minutes has expired the game will be deemed a forfeit and the non-offending team will be awarded a 5 - 0 win and three (3) competition points. The offending team will receive a score of 0 - 5 and no competition points. The offending team will be penalised one touchdown after the first minute and one touchdown every minute thereafter up to five (5) minutes, and the time will be kept by Tournament Coordinator.

Forfeit Affected Positions

If two or more teams finish level on competition points and any of those teams were involved in a forfeited match in the Round Robin Series, the forfeit may cause some obvious problems.

When a non-offending team has been involved in a forfeit, the 'for and against' from that forfeit will not count in final calculations. Similarly, for the other teams that finish on equal points, they will have the 'for and against' from that forfeited team deducted from their total. For teams competing against opposing teams on two separate occasions during the tournament, the calculations for the benefit of this rule will be the corresponding game in each round.

Example:

Team C - Forfeits to Team A in game three (first round)
Team A - Wins 5 - 0 on forfeit
Team B - defeats Team C 5 - 1 in game four (first round)

If after the Round Robin Series, the 'for and against' is

Team A - 50 for and 10 against (plus 40)
Team B - 60 for and 20 against (plus 40)

The above results would be deducted first, and the result is: -

Team A - 45 for and 10 against (plus 35)

Team B - 55 for and 19 against (plus 36)

Therefore, Team B would gain the higher position.

For the purpose of keeping record, if a forfeit occurs, the non-offending team will be rewarded with the 5 - 0 win and three (3) competition points. The offending team will receive no competition points and a score of 0 - 5 against their record.

This section only deals with forfeited affected positions for non-offending teams.

The offending team that causes the forfeit will have their calculations treated as normal as they have been penalised by receiving no competition points for the match they forfeited.

After the above calculations are made and teams are level on competition points, we shall apply Section 37.

NOTE: - Any forfeits in the final series will negate the team's right to participate further in the tournament.

TOURNAMENT CONTROL

The Tournament Coordinator will be in charge of all matters relating to the tournament. Any matters not covered in these conditions or guidelines will be determined by the above official and their decision will be final.

RULES

As per the [8th Edition Rule Book](#).

PRIZES

Winners in each division will be awarded with NSWTA branded merchandise, winners, and runners up of each division will each receive a plaque.

DRAW FORMULA

All teams will be scheduled a minimum of 4 matches in pool format.

DURATION OF MATCHES

Matches will be twenty (20) minutes straight (touchdown turnaround).

In the event of a draw in the finals series the Drop Off System will be used to decide the winner.

DETERMINING POSITION FOR FINAL PLACINGS

If teams are equal on points at the completion of the rounds 'for and against' will be used to decide the higher team.

Differences

The difference is determined by subtracting the total of tries scored 'against' from the number of tries scored 'for'. The team with the best difference will obtain the higher position.

Example:

Team A scores 50 for and 10 against

Team B scores 40 for and 10 against

By subtracting the 'against' from the 'for', Team A would be 'plus 40', whilst Team B would be 'plus 30'. Team A would therefore obtain the higher position.

If teams have the same 'difference' the percentage system would then apply.

Percentages

If this system is used, it is easily explained that if the difference is in the 'plus' situation, the team with the least number of Tries scored against them would obtain the higher position.

However, if the 'difference' is in the 'minus' situation, the team that has scored the most tries (for) would obtain the higher position.

The percentage system is calculated by placing tries 'for' over tries 'against' and multiplying by 100 over 1.

Example:

$$\text{Team A} = \frac{50}{10} \times \frac{100}{1} = 500\%$$

$$\text{Team B} = \frac{60}{20} \times \frac{100}{1} = 300\%$$

Team A would obtain the higher position.

Round Game

If the above systems are unable to decide the outcome, the round game result will be used. Drop Off

If all the above systems are unable to decide the outcome, the Drop off System will be used. (See Section 36).

FINAL SERIES

The final series will be advised prior to the commencement of the competition by the Tournament Coordinator.

MEDICAL

It is the school's responsibility to ensure duty of care for their students. A qualified First Aid Officer will be provided at the NSW All Schools Championships to assist with any injuries throughout the event.

MEDIA

All persons accept that, by participating in this event, they may be photographed/filmed and that these images may be used by the NSWTA for promotion of the sport. The NSWTA will not pass any image/s onto a third party unless prior approval is sought. If you do not wish the NSWTA to be able to use your image/s or be filmed, you must notify NSWTA in writing.

FIELD LAYOUT

A field layout will be distributed at the teachers meeting.

DROP OFF PROCEDURE

- i. When the game is drawn at the expiration of full time, a break of one minute shall be taken the team winning the original toss will commence the Drop Off, running in the same direction in which the team finished the game in regular time.
- ii. Each team commences the Drop Off with two (2) less players than used in the normal time. That is four (4) players in six a side game. Substitution of players is permitted as per TFA 8th Edition Rule Book.
- iii. At the conclusion of two (2) minutes of extra time, a siren is sounded, and the referee will stop play at the next touch or dead ball. If A team is in the lead at this stage the referee will signal full time and the team with more points is declared the winner, if scores are still even, each team will drop off one (1) player, reducing their on-field strength to three (3) players.
- iv. Play will commence immediately after the players have left the field at the same point in play where it was halted. The touch count will continue.
- v. Play will then continue indefinitely under a "golden try" format. Meaning the next team to score wins the game.

The decision on which player will drop off is entirely up to the team management, that is the captain, coach etc.

BLOOD BIN

Any player with a bleeding cut or abrasion is to leave the field immediately and have the cut or abrasion cleaned and covered. At this time, any blood-stained clothing must also be either cleaned or replaced.

If the player does not leave the field immediately, the Referee will stop the game and ask the player to leave the field (normal substitution rules apply).

Once the flow of blood has been stemmed, the cut or abrasion cleaned and covered and any blood-stained clothing and equipment cleaned or replaced, the player may return to the field and continue play. If bleeding cannot be controlled and the wound securely covered, the player must not continue in the game.
