INTRODUCTION

POLICY

The New South Wales Touch Association (NSWTA) Inc believes that sport, especially junior sport should be enjoyable and a safe place for our youth to participate in. We also have a firm view on the behaviours directed to referees, whether they be juniors or adults.

This policy aims to ensure that parents play a role in demonstrating correct behaviours and ensure that we have a safe environment of our youth and referees to participate in.

PRINCIPLE

The New South Wales Touch Association (NSWTA) along with the national body, Touch Football Australia (TFA) are committed to upholding our core values and create a safe, fair and inclusive environment for everyone associated with our sport. Our commitment is to ensure that every person involved in our sport is treated with respect and dignity and protected from discrimination, harassment, and abuse.

This policy also extends to all and protocols and or procedures that the NSWTA put in

place to adhere to Public Health Orders and NSW Health recommendations.

At recent Junior events we have seen an unfortunate rise in the level of abuse, primarily by parents toward players, Officials and referees. This is seemingly a societal trend from the sport of Touch perspective, within our domain, this practice sets a poor example for our youth and needs to be arrested.
